Get to know:

Sarah Reik, LPC, BC-TMH

Licensed Professional Counselor,
Member Assistance Program Manager

Sarah joined Christian Family Solutions as an intern in 2000. She received her BA in Psychology from Wisconsin Lutheran College and her MS in Counseling Psychology from UW-Madison. She then owned a private counseling practice for a few years, and returned to CFS in 2012.

Sarah has over 20 years of experience counseling individuals, couples and families, and enjoys giving educational presentations. She currently manages the Member Assistance Program (MAP), which partners with churches and other Christian organizations to help offer counseling for their members. If you or a family member are in need of counseling but have some financial concerns or live in a state where we don't have a clinic, check with your pastor to see if your church is part of MAP.

Sarah has 4 children in grade school and high school, and knows that the fall often means stress for families. Our MAP and outpatient counselors are ready and willing to help you navigate those or any other challenging situations with the truth and comfort of God's Word.

WELCOME TO OUR NEW ACTIVITY TEAM!!

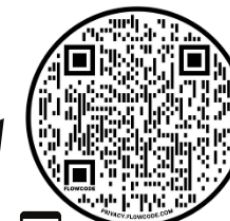

I would like to give a big welcome and congratulations to our new activity team Julianne and Patty!! Both are familiar faces to us here at The Gardens and we are blessed that we have two talented women to take on the role of activities. They have been doing a wonderful job and have been coming up with NEW and FUN activities. Please make sure you are coming out to enjoy some fun and if you have any ideas please bring them up!!

Families are welcome to join us for the 6:30 pm campfires on August 8 and 28 to meet Patty & Julianne. Come have a treat and share some stories around the fire!

AUGUST ACTIVITIES

Where is summer going? Time is flying by and the State Fair is quickly approaching. It's hard to believe that our gardens are filling up with delicious vegetables soon to be harvested, and we are enjoying our beautifully blooming flowers that not long ago were freshly planted.

We want to take a moment to thank our residents for their patience and grace as we learn to fill some big shoes with Lois' retirement. Every day has been a new adventure and we have made so many new memories already with our new shared activity coordination roles. We can hardly believe that we have gone fishing many mornings, used our belly buttons for writing letters and shared so many laughs learning facts/1:1 history and even some personalized dancing lessons in Trivia... (Thank you, Linda).

We are excited to be joining you on this new journey and feel blessed to be part of your Gardens' home! We look forward to our continued fun times ahead!

Find the Blue Butterfly

Last month we got to know Ashley Wenninger, Blue Butterfly Store Manager, on the back of the Gazette. We thought we would have a little fun and hide the Blue Butterfly logo  throughout the newsletter. If you are able to find all five butterflies--two are right here :), let our activity coordinators know and they will award you a ticket!
