HAPPY FOURTH OF JULY!

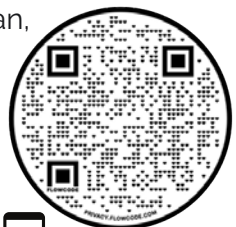

Hope you all are enjoying this beautiful HOT summer we are having. If you have not had the chance to get outside and enjoy the gazebo and the beautiful flowers, PLEASE make sure you take time to get out and enjoy!!

Wanted to update everyone that Susie (nurse) will unfortunately not be returning after her medical leave she started in February. We want to thank Susie for all her care while she was here with us and wish her all the best in her future plans.

Thanks to all our wonderful residents and families who continue to give The Gardens so much love and support. If you or any of your families have positive reviews you would like to leave online, that would be appreciated! Please consider sharing a few good words. A five star rating is extremely helpful to us and potential new residents. Thank you for considering! Not sure how to scan, just ask a staff member for help!

JULY ACTIVITIES

Happy Independence Day! We have so much to be thankful for in our blessed country.

With Lois retiring, there is a little bit of excitement around who will be replacing her. We will be announcing this soon! In the meantime, activities will go on as planned. Keep coming and staying involved. In fact, there is a fun activity in this newsletter that you can complete for a ticket!

We want to wish Lois all the best in her next chapter in her life, we know she will continue to keep herself busy!! Lois has enjoyed her time here so much she has offered to stay on staff with us as needed 😊

Remember to sign up for Camp Super Hero this month. There is a sign-up sheet on the bulletin board. We have so many great activities here at The Gardens and when you get involved it makes them even better!

34 years of amazing service

I would like to take this opportunity to give a huge THANK YOU to everyone who helped make our beloved Lois's retirement party as special as she is. She was showered with heartfelt gifts and love. Lois has been an amazing blessing and asset to all of us at The Gardens. She has been there for many of us in good times and in bad. Lois has a true God-given gift of making others happy; if that is through keeping everyone moving from one activity to another on a daily basis or being a good listening ear when in need.

Lois has been able to touch the lives and hearts of many when she joined our organization in 1989 (34 years ago). Lois has enjoyed her time with all of us here at The Gardens when she joined our team here 9 years ago. Personally, I have enjoyed working with Lois as she has been such a dedicated member of our team who takes on each day with a positive attitude and is happy to help any way she can. THANK YOU again Lois for all your commitment and dedication – you are a true angel.
