OCTOBER ACTIVITIES

Fall is in the air. We love the feeling of the crisp morning when we come in to the Gardens. We get to enjoy some hot coffee with pumpkin spice creamer, pumpkin lattes or even hot apple cider on the cooler mornings.

Autumn is a great time to see how beautiful things are and to let them go too. Growth in any situation requires release. Just like trees and leaves. So take the time to observe nature changing around you--leaves changing, gardens changing with veggies/flowers, the fall smells/aromas, and the beauty of God's work throughout the season upon us.

We have hidden FIVE pumpkins in this issue. Find them and let us know for an extra ticket!

Fall blessings to all of you.
