ACTIVITIES

May is a month that inspires and is beautiful with a sense of renewal. From beautiful spring flowers to blooming plants, May has countless ways to capture the magic of the Lord's work at hand. This month, we look forward to our community outreach from our community partners. Wishing everyone a MERRY month of May with renewal of awareness and bloom.

*We are looking forward to multiple community visits & volunteer groups throughout. this next month coming up.

We love our Spero
Volunteer groups!

May showers bring May flowers!! Looking forward to what spring has to offer. Coming up this month, May 22nd, we have been blessed to have Hartford Union High School students coming for a day of service & choir performances. They will be helping us get ready for springtime with outdoor work and garden beds. We are also looking to plant some perennial plants around the facility. If you have a green thumb in your family that would like to donate some perennials, please contact Kristy or Julianne as we would love to share what you have!!

We will be welcoming Carl, our new full-time maintenance in early May. Looking forward to getting him started with our many projects. Eric will continue to work his current part-time hours. Please welcome Carl when you meet him 😊

New items coming soon:

- A couple more raised garden beds which will take place of the inground ones on the west side of the facility.

- New outdoor seating

Very excited about these updates coming soon!! Reminder, if there are updates you would like to see, please feel free to share your ideas.

Blessed to be here with all of you~
